Codeux Software, LLC (“Codeux Software”, “us”, “we”, or “our”) located at the web address <https://www.codeux.com/> (“the Site”) may collect Personal Information.

This page informs you of our policies regarding the collection, use, and disclosure of Personal Information we receive from use of the Site and/or by placing an order for software authored by Codeux Software.

What Information We Collect

- We collect information that your browser sends whenever you visit the Site (“Log Data”). This Log Data may include information such as your computer's Internet Protocol (“IP”) address, browser type, browser version, the pages of the Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.
- When you place an order with Codeux Software, we collect basic information about you such as your name, physical address, e-mail address, telephone number, and other contact information. We may also ask for payment information such as your credit card and other related information.
- You may also be asked to provide or may provide additional Personal Data in course of:
 - Communicating with us about your order
 - Downloading and installing our software, applications, and updates
 - Supplying feedback and information about your use of our products
 - Requesting us to stay in touch with you

How Your Information is Used

We use your information to understand your needs and provide you friendly service.

Your Personal Information is used for the following purposes:

- Delivering friendly, personalized customer support when communicating with you about your order
- Maintaining license information for activating software authored by Codeux Software

Personal Information is retained only as long as necessary to fulfill the purposes identified above or as required by law.

What Information We Share

We will only disclose your Personal Information if we reasonably believe we are required to do so by law, regulation or

other government authority, to prevent harm to yourself or others, or to protect against fraud. We may transfer your Personal Information to a successor entity upon a merger, consolidation, or other corporate reorganization in which Codeux Software participates, or to a purchaser of all or substantially all of Codeux Software assets. Such successor entity shall be bound by the terms and conditions of this Privacy Policy.

Links to Other Websites

The Site contains links to third party content. Please be aware that we are not responsible for the content of and/or privacy practices of these linked resources. We encourage our users to be aware of the risk when they leave the Site and to read the privacy statements of any other web site that collects personally identifiable information.

Cookies

When you place an order with Codeux Software, we use “cookies” to improve your experience. Cookies are files with a small amount of data that are sent to your browser from a web site and stored on your computer's hard drive.

At no time are the the cookies transmitted by Codeux Software used to identify specific customer traits nor do they contain sensitive data.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to complete an order.

Security

The security of your Personal Information is important to us. We take precautions to ensure your Personal Information is safe against alteration, destruction, loss, misuse, theft, and unauthorized access. Unfortunately, no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security.

Changes to this Privacy Policy

Codeux Software may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on the Site. You are advised to review this Privacy Policy periodically for any changes.
